

wanted: old cell phones & print cartridges

Help the band save the environment and
make some cash at the same time!!!

Clean out the junk draw and collect your old cell phones, working or not, chargers and batteries if possible. We can turn them in for cash and the company will dispose of them in an environmentally safe way!!!

We are also collecting used print cartridges from regular and laser printers. Instead of throwing them away, save them in a bag and send to band practice or band parent meetings.

We can turn them into cash and they will be disposed of properly.

This is an easy and no cost way to fundraise and save the environment at the same time!! Ask your friends, family and neighbors to collect their phones and cartridges also. This will be an on-going collection, as there is no time limit!!

Restaurant Fundraisers: Bring a voucher

Johnny Carinos... Oct. 22

Applebees November 12

Surf Taco: December 2

**Aluminum Cans: Please save, rinse and crush your aluminum cans.
