2011-2012 SCHOOL YEAR

Dear Parent/Guardian:

During the year our Communications Department and local media representatives write stories that feature newsworthy events and student achievements within our educational community.

Photographs and video footage are taken by our Communications Department and by news media, such as the *Asbury Park Press*, *The Jackson Times*, *Tri-Town News* and *Star Ledger*. Broadcast media including network and cable television news programs are also on site for various events.

Please complete the permission form below to indicate whether you grant the Jackson School District and/or New Jersey Education Association (NJEA) and/or news media permission to photograph or videotape your child for district publicity and/or media publications.

This form should be returned to your child's homeroom teacher.

If this form is not returned, your child will NOT be allowed to be photographed and/or videotaped for district or media publications.
